

## **ABOUT JOURNAL**

**MINAR** International Journal of Applied Sciences and Technology is a peer-reviewed open access journal with no charge fees on all aspects of applied sciences and technology published four times a year. The journal concerns itself with publishing original research projects, articles and original scientific reviews in pure and applied sciences and technology. **MINAR** publishes in English, Arabic and Turkish. The board of referees and editors is a collective body of international and Turkish expert scholars who consider the liability of research projects to be published according to the parameters and regulations of **MINAR**.

Being open access and online available, it is able to offer excellent visibility and a fast processing time from submission to publication. **MINAR** aims to provide an inter-disciplinary forum to showcase state-of-the-art research challenges on applied sciences and technology.

The scope of pure, applied science and technology is extended to include physics, chemistry, biology, mathematics, computer Sciences, medicine, biological technologies, geology, etc. The current scientific interdisciplinary approach in science adopts an integrated perspective in dealing with all branches of science. Moreover, there is no doubt about the importance of integrity between physics and other branches of science in the great civilization, and technological advancement that is recurrent all over the universe. This great civilization and technological advancement have led to a powerful revolution in weapons, nuclear reactors, generation of nuclear and atomic electricity, solar energy for a multidimensional use. Furthermore, the great advancement in the field of medical technology and treatment is the ultimate consequences of an interdisciplinary cooperation among a variety of Applied and administrative branches of Science. Therefore, **MINAR** is the scientific promising platform that cares for such an interdisciplinary perspective in dealing with research projects among a variety of pure and applied Sciences.

## **VISION**

**MINAR** spires to grant national and international pioneering role in research projects concerning pure, applied sciences and technology for the sake of building creative scientific bonds among scholars and scientific communities all over the world for more productive creative ties based on genuine, precise, experimental and analytic scientific research.

**MISSION**

**MINAR** seeks to establish unity and integrity among the scientific communities all over the world that is based on scientific, creative and exploratory induction on one hand and for improving scientific research through availing chances to scholars the worldwide hoping that they will shoulder their responsibilities to solve any humanity problems and for living in supreme, technologically based civilized, happy stable human communities.

**JOURNAL ID**

<b>Full name</b>	<b>MINAR</b> International Journal of Applied Sciences and Technology
<b>Short name</b>	MINAR Journal
<b>Area of concentration</b>	Applied Sciences and Technology
<b>Frequency of publishing</b>	four Issues a year
<b>Language of publication</b>	English, Arabic, Turkish
<b>Reviewing</b>	Double Blinded Review Process
<b>Editor</b>	Prof. Dr. Ghuson Hameed MOHAMMED
<b>Publisher</b>	Rimar Academy
<b>Country</b>	Turkey
<b>City</b>	Istanbul

**COMMITMENTS**

**MINAR is committed to shoulder the following responsibilities:**

- Improving and encouraging pure, applied Sciences and technology research.
- Building a world wide bridges and bonds among applied sciences and technology researchers.
- Granting applied sciences researchers equal opportunities for serving humanity and finding solutions for its problems.
- Holding specialized international scientific conferences in pure, medical, applied sciences and technology for the sake of coping up with and solving the renewed research problems, obstacles and challenges faced by humanity.

**COPYRIGHT**

Articles published in MINAR International Journal of Applied Sciences and Technology will be Open-Access articles distributed under the terms and conditions of the Creative Commons Attribution License. MINAR Journal will insert the following note at the first page of the published text:

Copyright © Published by Minar Journal [www.minarjournal.com](http://www.minarjournal.com),

## **PUBLICATION ETHICS**

**MINAR** International Journal of Applied Sciences and Technology emphasizes the importance of strict adhering to ethical policies and standards to ensure to add high quality research articles to the field of scholarly publication. Unfortunately, cases of plagiarism, data falsification, inappropriate authorship credit, and the like, do arise. To verify the originality of content submitted to our journals, we use iThenticate to check submissions.

## **PUBLICATION PRINCIPLES**

**For the submission of research studies the following regulations should be followed:**

- The content of the research should be a first time genuine and original study.
- The first page should contain the complete research title, the researcher's name, his/her academic rank, the institution's name and the researcher's email.
- The research article should contain English abstract with key words.
- The research article should not exceed a number of 20 and not less than 7 Microsoft Word document, with 2 centimetres margins and single spaces lines, pages including the bibliography, tables and charts.
- Arabic research article should be written in 13 fonts Simplified Arabic in the body of the research, 20 bold fonts (Gras) for the main title and 16 bold fonts for the subtitles. 12 fonts Times New Roman for the Latin inscript in the body of the research, and 14 fonts bold type (Majusclue) for the main title.
- 7 APA documentation system is the recommended style in writing <https://apastyle.apa.org/instructional-aids/reference-guide.pdf>
- The research projects will be submitted to a blind peer reviews.
- The researchers will be automatically notified through emails upon the reception of their research projects. They will also be notified about all the procedures of reviewing, and they should submit the amendments if required.

**EDITORIAL BOARD**

<b>Editor</b>		
Prof. Dr. Ghuson Hameed MOHAMMED	Baghdad University	<b>Iraq</b>

<b>Co-Editors</b>		
Dr. Saleh MUSTAFA	Rimar Academy	<b>Turkey</b>

<b>Advisory Board</b>		
Prof. Dr. Zakaria ZALLAM	Gaziantep University	<b>Turkey</b>
Prof. Dr. Saad khudhair ALJUMAILY	Al Nahrain University	<b>Iraq</b>
Prof. Dr. Hassane BOUZAHIR	Ibn Zohr University	<b>Morocco</b>
Prof. Dr. Mundher mubdir ABDULKAREEM	Diyala University	<b>Iraq</b>
